

Language Arts

Homework Information

August 31, 2015

I have attached the next two week's assignments to this form in an effort to ensure that students and families become familiar with the routines in class and are successful. Every two weeks, students can expect the following schedule:

- 1st Week
 - 1st day of the week-Students receive Reading & Writing Workshop (RWW) and Spelling/Vocab Unit.
 - Last day of the week- Students turn in RWW and take a spelling test.
- 2nd Week
 - Last day of the week- Students take vocab quiz and turn in vocab homework.

Keep in mind that this schedule does not include every homework assignment, quiz, test, writing piece, etc. Each language arts unit has its own set of work, but students and families should know that I do my best to provide a fair amount of time to complete work and communicate deadlines in advance. You may also check the class website or students' agendas for upcoming deadlines.

Looking forward to a great week!

Mrs. Burge
