## Parent-Completed Student Inventory

*Dear Parents,*

*The purpose of this inventory is to give me a better understanding of some of your child's interests and skills. I will use this information as I plan units and individual lessons to meet the interests and challenge your child this school year.*

*Your feedback is very important to me and I thank you for taking the time to complete this survey. Please return the survey with your child by Friday, August 22, 2014.*

*Thanks for your help.*
