

Personal Narrative: My Frozen Moment

Assignment: The Spencer County Historic Society wants to feature Taylorsville residents' stories in an on-line time capsule. The society is asking residents of all ages to write a personal narrative "frozen moment," in which an incident that brought about significant change in a person's life feels like a frozen piece of time and is described in great detail. The time capsule will be featured on the Spencer County Historic Society website for the public to view until the end of the year. At that point, the time capsule will be sealed and unlocked in 6 years.
