

SCMS 2015 Summer Reading Requirement

All 2015-2016 SCMS 6-8th Graders are required to:

- Read a book on your reading level.
- Take an AR book on the book you read by **August 21st** .
- If your book does not have an AR test see your language arts teacher for an alternative assignment when you return in August.
- The AR test score will count as your first test grade for the 2015-2016 school year. Points received will count toward AR goals.
- The SCMS Media Center will be open Wednesdays in June if you want to complete it early.
- All current 6th & 7th graders will choose a book to keep courtesy of SCMS. We encourage our students to read the book they choose.
